WE DO A LITTLE MORE

For you than other piano houses
give you a better seat and better
we look after the piano and keep it
for you. These are little things
but they are desirable, and moreover
show the direction of the wind. They are
always advantages in doing a thing
piece.

The Biggest Value

for the money ever given.

Munsey's Magazine has reduced its price from \$3 to \$1.

This brings it within the reach of thousands of people who could not justify themselves in paying out three dollars
for a year's subscription. The three and four dollar magazines have never been subscription magazines. They have
circulated chiefly on newsstands. Three and four dollars is a good deal of money to pay out in a lump. It is a very
large sum of money in these times, but one dollar is quite another matter. It is an amount that most families will feel
they can well afford to pay for a magazine of the very best grade.

Think of it. Think of what this means: Twelve numbers of a magazine for one dollar—eight cents
and a fraction per copy. This is giving something for the money—this is giving more for
the money than has ever been given by any publisher in the wide world. MUNSEY'S at one dollar a year marks a new
era in publishing. It sets the pace for all publishers the world over. At this price we expect to add the names of
200,000 new readers to our subscription list within three months.

Will you do it? Will you take a hand in this matter and be one of the first agents in the field?
Get in before the ground is taken by some one else. We allow 20 per cent. com-
mission—20 cents on each yearly subscription. This means \$5 on twenty-five names—\$10 on fifty—\$20 on one hundred
—\$50 on five hundred.

The Handsomest Magazine in the World.

Munsey's, with its new, bright cover and superb illustrations, is the handsomest magazine in the world. It is an up-
to date, live, clean magazine of contemporary interest. It is of the same size and shape and is similar in get-up to
Harper's and the Century, whose subscription price is four dollars a year.

\$10 to \$20 a day. Agents are making from ten to twenty dollars a day. One agent has taken
as many as two hundred subscriptions in a single day. You don't have to
talk—you simply have to mention the fact that MUNSEY'S has reduced its price to one dollar a year and show the
magazine. That is enough—the subscription is yours. Now is your chance to make a record—now is your chance to
reap a snug little harvest. Don't wait for some one else to get ahead of you. **SEND TEN CENTS FOR SPECIMEN**
